WHAT'S HAPPENING IN YOUR CLUB

We would like to take this opportunity to thank everyone for their patience through the closure of the Bacardi Bar due to staff shortages. We are happy to inform you that bar is back up and running and open daily from 12pm again.

We are continuing to do bookings only for dinner service over the next couple of weeks and will keep you updated on when we return to our normal policy.

We are going to be carrying out our annual maintenance around the club in the coming weeks, with our kitchen undergoing small refurb. Due to this our kitchen will be closed from Mon 14th Feb and re-opening Thurs 24th Feb. In this time the club will be fully closed between Mon 14th and Thurs 17th. We will re-open our cocktail lounge and gaming area only on Friday 18th Feb.

For any members who have been unable to renew their membership card or have a new one printed, we do apologise. Our card printer has had to be sent away for much need repairs and will be out of action for at least another couple of weeks. Again apologies for any inconvenience this may cause.
